

# **Curtin University Library** **2022 Library Initiatives**

## **Trusted Information Resources**

**In 2022, Curtin Library will:**

- Optimise clients' experience of finding Library resources.
- Create a Library history special collection.
- Facilitate opportunities for open textbook publishing through participation in the Open Educational Resources Collective.

## **Library as Partner**

**In 2022, Curtin Library will:**

- Develop an Open Education Resource that helps inoculate people against bad information.
- Improve the process for Higher Degree by Research students to deposit their thesis to the Library.
- Explore a self-paced research data management training module.
- Investigate and implement a Library students as partners framework.

## **Library Spaces**

**In 2022, Curtin Library will:**

- Create a Library alternate reality game.
- Transition to post-refurbishment spaces and operations in the TL Robertson Library.

## **Community Engagement**

**In 2022, Curtin Library will:**

- Engage with Indigenous perspectives through the Library's collections and services.

## **Culture and Library Workforce**

**In 2022, Curtin Library will:**

- Collect and use data to improve services and demonstrate impact.
- Implement new customer service standards.
